# Ancilla Beef & Grain Farm

A ministry of the Poor Handmaids of Jesus Christ

## Falling into fall

With the breeze in the air and a hint of cooler weather upon us, the farm prepares for harvest time. Mother Nature has given us a good growing season and we will reap the harvest. From corn, soybeans and hay, either for market or to feed our own cattle, harvest time becomes a busy time on the farm. Making sure all equipment is running is top priority; no delays needed at harvest time.

Don't forget to stock up with our prime freezer beef. Buy it by the pound or buy an entire steer.
